IB theme: Who We Are

Central Idea: Discovering me in the community

IB Learner Profile Focus: Risk-Taker

This month we will work these concepts:

**Lines of Inquiry**

- Differences/similarities in families and friends.
- The rules, rights & responsibilities of being a member of a family, a school and a community

**PYP Attitudes:** Commitment, Respect, and cooperation.

**Transdisciplinary Skills:** Research, social, and communication skills. These core skills will be incorporated in the IB unit.

**Math**

**Unit 1 : Numbers to 10**

We will learn counting and representing numbers 0 - 10. Our focus will be on:

- Attribute of Two Related Objects
- Classify to Make Categories and Count
- Numbers to 5 in Different Configurations, Math Drawings, and Expressions
- The Concept of Zero and Working with Numbers 0-5
- Working with Numbers 6 - 10 in Different Configurations
- One More/less with Numbers 0 - 10

**Target Language Arts**

Student will be able to:

- Learn phonics, Chinese characters (for the Chinese immersion students) rhyming words, sight words, concepts of print and simple sentences in the target language.
- Read short stories with emphasis in topics related to the IB unit (family and community) and with a focus on reading comprehension strategies. Additionally, students will learn new vocabulary about the family, the community, rules, and routines.

**Science/Social Studies**

- We will learn about our families, the differences and the similarities between families.
- We will also learn about communities.
- Finally, we will talk about the family and the community rules, why and where people should follow rules

**Gifted and Advanced Learners (GAL):**

GAL students will complete extensions of activities associated with the unit.

**Quiz Hub-**Many gifted students' love taking quizzes on topics they know a lot about.

This is a great website that has quizzes about many different subjects.
